Check your student's Google Classroom for up-to-date assignments and learning resources.

How will students get needed materials for at-home learning?

How is attendance taken during quarantine?

Students are marked present while on quarantine if they complete their work.

How do I submit my student's work?

There are 3 options to submit student work:

1. Upload and submit through Google Classroom.
2. Have a non quarantine adult bring the work to school.
3. Wait until the end of quarantine and bring all work back to your teachers.

School Contacts

Who do I contact if I have a question?

- The best way to get an accurate answer is to start with your child's teacher. Our teachers want their students to have every opportunity to learn, even while on quarantine. If you have issues getting in touch with the teacher, please feel free to reach out to administration.
